Medisca Inc. is not the manufacturer of the products, but rather, is an intermediary between the purchasers and manufacturers. Medisca, Inc. makes no warranty, express or implied, pertaining to the product or its suitability for any specific purpose. Any warranty, if any, is solely that of the manufacturer and Medisca, Inc. takes no responsibility therefor. In the case of any breach of warranty, or product defect, the entire liability of Medisca, Inc. will be limited to the invoice price of the product. In no event will Medisca, Inc. be liable for any special, consequential, incidental or indirect damages resulting from the use of the product, and Medisca hereby disclaims any such liability. It is the responsibility of the purchaser to abide by all Federal and State laws, as well as professional guidelines and standards in the processing, utilization and distribution of the API. Medisca, Inc. makes no warranties with respect to infringement or non-infringement by the product of any patent or other intellectual property of any other party, and it is the responsibility of the purchaser to investigate and determine any such issue. In the event of any patent or other intellectual property infringement, or breach by purchaser of any of its obligations hereunder, or in the event of a product defect or other issue not exclusively caused by the actions of Medisca, Inc., purchaser will indemnify and hold harmless Medisca, Inc. and all of its affiliates, officers, directors and employees from and against any harm, damage, loss, claims or threats thereof, including reasonable attorney's fees, which may result, in whole or in part, therefrom.

This product(s) is being provided to the recipient pharmacy as an active pharmaceutical ingredient (API(s)). It is the responsibility to the pharmacy to abide by all applicable Federal and State laws, as well as professional guidelines and standards, in the processing, utilization and distribution of the API (s). In particular, the pharmacy is advised of Compliance Policy Guides issued by the FDA in connection with pharmacy compounding, and of its obligation to abide by the rules of the FDA in connection with any such activities.

THANK YOU
